Why Creighton?

Excellence in Academics

Nine colleges and schools offer more than 60 majors and 140 programs.

99% Success Rate

Nearly all our grads are employed, going on to graduate or professional school, or participating in service within six months of graduation.

Research

Get involved in research as early as freshman year as you collaborate with faculty—an experience that can't be found at larger universities.

Internships

With four Fortune 500 companies headquartered within walking distance of campus, and nearly 100 Fortune 1000 firms with operations in Omaha, there are endless internship opportunities for students.

Pre-Professional Scholars

The Creighton Pre-Professional Scholars Program (CPPSP) is the most comprehensive guarantee program in the country. Qualifying students receive premier pre-professional advising and a spot in an extraordinary guarantee program. CPPSP is an option for students in dental, law, medical, occupational therapy, pharmacy and physical therapy programs.

Student Success

A holistic approach to ensuring student success, the professionals in our Student Success office provide premier pre-professional advising as well as career and professional development and academic support.

Global Scholars

This four-year educational and professional development program includes four international travel experiences.

Service For and With Others

Creighton offers community service and social justice opportunities in Omaha and around the country. More than 300 students use their fall and spring breaks to serve others around the country.

Diversity and Inclusion

Our differences make us stronger. At Creighton, almost 80% of our freshmen come from outside Nebraska and 29% are students of color.

The value of your Creighton education? Priceless.

OUR GRADS SUCCEED

What our graduates are doing within 6 months of graduation:

As you continue your college search, take the time to thoroughly compare the colleges and universities you are considering attending. Look at graduation rates, class size, student-to-faculty ratios, mentoring, internship and research opportunities as an undergraduate. Be sure to also compare successful post-graduation goals, whether it be employment, service through a volunteer program or enrollment in a graduate or professional program.

Honors and Leadership

Grow as a leader and begin your path to success through a variety of honors and leadership programs in the College of Arts and Sciences, Heider College of Business and College of Nursing. Just a few of these programs include:

College of Arts and Sciences Haddix Dean's Fellows Program

- Develop leadership skills through unique opportunities both inside and outside the classroom.

Heider College of Business Anna Tyler Waite Leadership Program

- Integrate business curriculum with real-world experience to develop leadership, ethical decision-making and social responsibility.

Nursing Leaders Program

- Students focus on service, mentoring, relationship development and self-reflection.

Internships

- Access to more internships than students to fill them in the Heider College of Business, with 79 percent of our students completing at least one internship.
- Work with College of Arts and Sciences faculty and Career Center professionals to snag prestigious internships on campus, in Omaha or across the country.
- Invaluable experience for College of Nursing students through summer internships in clinical settings, including the Mayo Clinic program.

Research

Your work can change the world through the Center for Undergraduate Research and Scholarship (CURAS):

- Collaborate with faculty as an undergraduate.
- Get involved in research opportunities not found at larger universities.
- Present your work at some of the most prestigious academic conferences around the world, such as the BIG East Undergraduate Research Symposium, where two Creighton students took two of the top 5 places last spring.

Pre-Professional Scholars Program

- More than half of our students come to Creighton with the goal of pursuing a professional degree, so we have created the country's most comprehensive, intentional pre-professional advising and guarantee program, the Creighton Pre-Professional Scholars Program (CPPSP).
- CPPSP Programs:
 - Dental
 - Law
 - Medical
 - Occupational Therapy
 - Pharmacy
 - Physical Therapy
- Each CPPSP program requires an application with specific requirements. For information on the criteria required, please go to creighton.edu/CPPSP.

Advising, Preparation and Support

- Take advantage of the Student Success Center, our one-of-a-kind advising, preparation, and support division, designed to give you the edge as a student and beyond through:
 - Academic support
 - Career counseling
 - Alumni networking, mentoring, shadowing and internships
 - A connection to internship opportunities
 - Pre-professional advising
 - Individual and group tutoring, academic coaching and academic counseling

Study Abroad

- 500 students from every major participate each year.
- Consider the Creighton Global Scholars Program, a four-year educational and professional development program designed to immerse select students in a variety of cultures for a rich academic, social and service experience.
