

# Visitor Parking

Bluejay Visit Day begins at the Mike and Josie Harper Center / Heider College of Business. Visitor parking is available on the roof of the parking garage located south of the Harper Center. You must enter the top level of the garage from 21st and Cass street, this is the only entrance that is not gated.

Please print and display this parking pass on your dashboard.

Please enter the Harper Center doors near the flame or globe statues. Once inside, signage and students will greet and assist you to the check-in area.

Forgot your pass? No problem—parking passes are available at the check-in table.

**Harper Center 602 N. 20th St. Omaha, NE**
